The Stoolies Coffee House Newsletter

The Open Door By Alfred Sutro

A whimsical yet twisted play of love that is and love that can never be. Anja and Alan bring color and life to the characters as they carry you along through this Victorian era play that will make you wonder who really is in charge. Depending on the flow of events and reactions, the play should run about fifteen minutes.

Anja

Believe in Miracles

STOOLIES COFFEE HOUSE

Sonia Cho

Sonia will be singing a special duet with a woman who has been one of her idols. Don't miss it, surprises like this don't come along that often.
